Our Mission :

The Heart of GLOBAL CORE SCHOOL

"Empowering Minds, Engineering Character."

At MRR Global Core School, our mission is to provide a nurturing "Core" environment where academic excellence meets holistic development. We don't just teach subjects; we cultivate curious, compassionate, and courageous leaders of tomorrow.

Curriculum : Beyond the Textbook

- We follow a Student-Centric Integrated Framework that blends rigorous academics with practical life skills.
- Foundation Years (Nursery – UKG): Focus on sensory-based learning, motor skills, and linguistic foundations through play.
- Primary Years (Grade I – V): Emphasis on the "Core" subjects (Math, Science, Languages) using inquiry-based methods.
- Middle School (Grade VI – VII): IIT (CBSE, SSC & ICSC Integrated Programme) Transitioning toward analytical thinking, digital literacy, and leadership projects.

ACADEMIC HIGHLIGHTS

-  CBSE Curriculum (as per NEP)
-  Montessori training for young learners
-  Play-way method of teaching for foundational classes
-  Focus on moral values and ethical education
-  Strong emphasis on basic concepts and fundamentals
-  Co-curricular activities like Abacus, Dance and Karate

Modern G+3 State of the art Campus

Tech-Integrated "Core" Curriculum
